1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 6, line 4, "brakers" has been changed to -- breakers --.

2. The following is an examiner's statement of reasons for allowance: none of prior art of record taken alone or in combination shows a method for converting to same phase power supply from three phase power system comprising steps of receiving a fault or overload trip signal from main power lines, operating an interlock of three phase circuit breakers, categorizing power consumption subscribers, selecting one of the three phase power line, feeding power to load systems of three-phase four-wire with neutral line grounded along with more detailed limitations as recited in the independent claim 6 of the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Matthew V. Nguyen whose telephone number is (571) 272-2081.
